Grant Details

Our You Matter Impact Giving Fund grant is made possible through the generosity of our team members. They contribute to the You Matter Impact Giving Fund from each paycheck. These funds are matched by owner, Jarid Lundeen.

The purpose of this grant is to assist individuals in our community with tires, automobile repair or preventative maintenance needs. Our goal is to remove vehicle issues as a barrier of holding someone back from accomplishing their goals.

Our team members are proud to be able to offer this grant and make a difference in our community. To make the largest impact possible, each grant request is limited to a maximum of \$500.00.

Tires, automotive repairs or preventative maintenance needs will be performed at our Trusted Tire & Auto or Valvoline Instant Oil Change businesses. Our team is pleased to contribute to the well-being of others in our communities by their financial contributions as well as being able to perform the repairs requested.
